

Order details can be viewed on the Ohio Department of Health's VOMS (Vaccine Ordering Management System) website.

1. Log into <https://voms.ohioimpactsiis.org/> using your ImpactSIIS username and password.

OR

1. If you have already logged in to ImpactSIIS on the patient side, you can move to VOMS by clicking on the blue link on the left that says "Inventory Management and then 'VOMS 2.0'

2. In VOMS, ensure that you are on the facility level. There should be 2 "text bubbles" in the search bar. If there is only one text bubble, click on the search bar and enter the office's 5-digit PIN or part of the office name and then click Enter to search, and then select your office from the list.

In order to be able to add vaccinations to patients' charts, publicly funded vaccine may need to be **Received** into the VOMS inventory.

Before vaccine arrives, clicking **RECEIVE** is also the best way to see the details of the order.

1. Click on **Orders & Returns** -> **Orders & Transfers** from the left-hand drop-down menu.
2. Click on the green **RECEIVE** box.
  - If there are no orders to receive, no order is in process for this facility at this time.

Vaccine Order Details

VACCINE	LOT #	EXPIRATION DATE	RECEIPT DATE	FUNDING SOURCE	ORDERED QUANTITY	APPROVED QUANTITY	SHIPPED QUANTITY	RECEIPT QUANTITY	ACTION
Covid-19, Mrna, Lnp-S, Pf, 100 Mcg/05 ml Dose COVID-19, Mrna, Lnp-S, PF 10 pack - VIALS NDC: 80777-0273-99 Tracking #	CV159963	02/28/2022		VFC	110	110	110	110	<input type="button" value="ADJUST"/> <input type="button" value="ADD LOT"/>

- The lot number is now visible.
- The SHIPPED and RECEIPT QUANTITY columns should match the APPROVED QUANTITY.
- A Tracking # link is found at the bottom of the Vaccine column. Clicking on this link will give you a number that can be copied and entered into an internet search engine for shipment details.

We expect that soon after the shipping details are added to this page, the COVID-19 vaccine should be arriving at your facility.

Ideally, orders should be **Received** into the VOMS inventory the same day as the arrival on site. Please do not click the blue **RECEIVE** on this page before the vaccine is confirmed on site.

When the vaccine arrives, please return to this page to confirm the number of doses and click **RECEIVE** to move those doses into inventory to be added to patient records.
