

Looking up COVID orders in VOMS

Using the Orders & Transfers option produces LIMITED info as it only includes shipments that have not been RECEIVED.

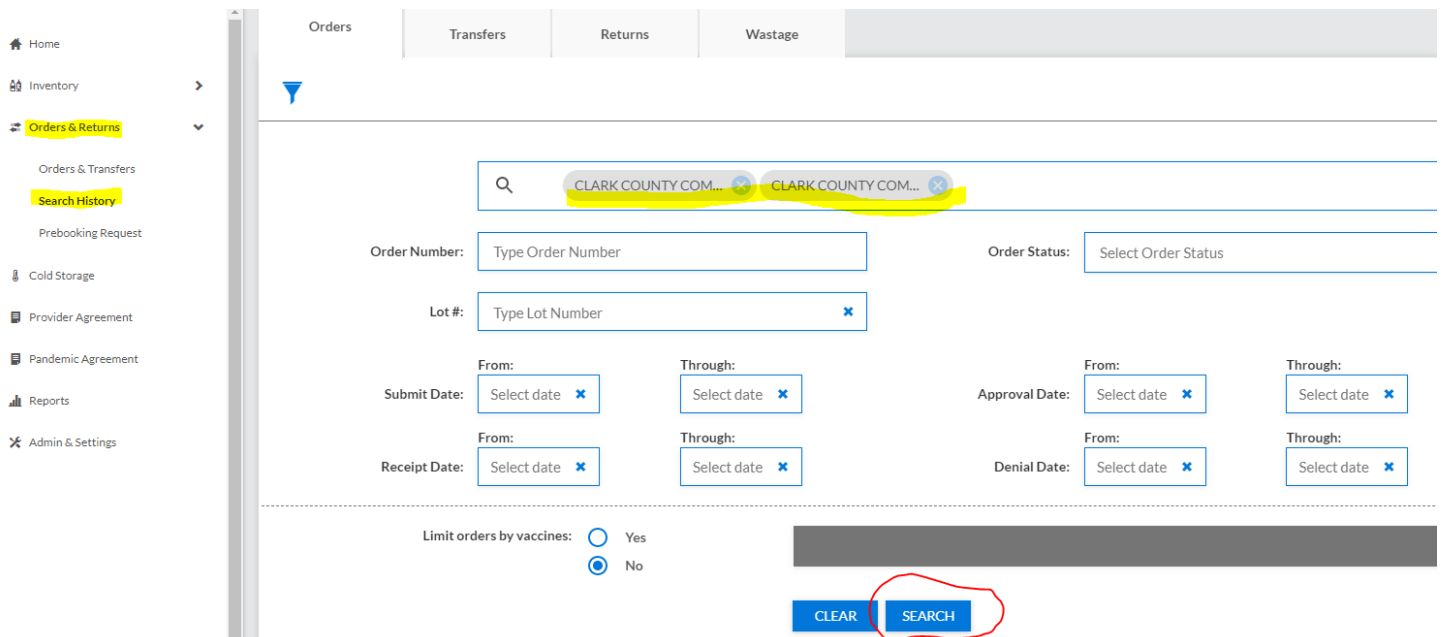

The screenshot shows the VOMS interface. The top navigation bar includes the VOMS logo, a search bar with two tabs for 'CLARK COUNTY COMBINED HEALTH DISTRICT', and user profile icons. The left sidebar lists navigation options: Home, Inventory, Orders & Returns (highlighted), Search History, Prebooking Request, Cold Storage, and Provider Agreement. The main content area is titled 'Orders and Transfers' and features a 'NEWORDER' button and an 'ORDER SEARCH' input field. Below this, there are tabs for 'Inbound Orders & Transfers' and 'Outbound Transfers'. A table displays the following data:

Action	Type	Order #	Sender	Order Date	Status
RECEIVE	Order	350014	McKesson	01/17/2021	Approved
RECEIVE	Order	349935	McKesson	01/16/2021	Approved

A better option is to use the **Search History** option (under Orders & Transfers)

Orders & Transfers -> Search History -> enter site name into search bar in middle of screen -> click **SEARCH**

The screenshot shows the 'Search History' page in VOMS. The top navigation bar is the same as in the previous screenshot. The left sidebar highlights 'Search History'. The main content area has tabs for 'Orders', 'Transfers', 'Returns', and 'Wastage'. A search bar at the top contains two tabs for 'CLARK COUNTY COM...'. Below the search bar are several filter fields:

- Order Number: Type Order Number
- Order Status: Select Order Status
- Lot #: Type Lot Number
- Submit Date: From: Select date, Through: Select date
- Approval Date: From: Select date, Through: Select date
- Receipt Date: From: Select date, Through: Select date
- Denial Date: From: Select date, Through: Select date

At the bottom, there is a section for 'Limit orders by vaccines' with radio buttons for 'Yes' and 'No' (selected). Below this are two buttons: 'CLEAR' and 'SEARCH' (circled in red).

A list of all orders is viewable. Click on the **Order #** to view.
