The Radiation-Generating Equipment Committee (REC) meeting was called to order by chairperson, Lawrence Osher at 10:00am. The meeting was held at the Ohio Department of Health (ODH), Basement Training Room A, 35 E. Chestnut Street, Columbus, Ohio 43215. The sign-in sheet serves as the official record of attendance.

Past Minutes:

The committee reviewed the March 10, 2017 meeting minutes. Chuck Wissuchek made a motion to accept the minutes as written. Paul Geis seconded the motion; the members present unanimously approved the minutes.

Current Business:

Jim Castle presented the rule status log and identified that the next Chapter due for five-year review is Medical Radiation-Generating Equipment, Ohio Administrative Code (OAC) Chapter 3701:1-66.

ODH and REC reviewed the public comments to Certified Radiation Expert, OAC rule 3701:1-66-03. Revision summary:

- Updated terminology to American Board of Radiology terminology.
- Updated training and education requirements to align with the American Board of Radiology.

In addition, added language to Certified Radiation Expert, OAC rule 3701:1-66-03 regarding priority application processing and continuing education extension for active service members and veterans to comply with Ohio Revised Code 5903.

Paul Geis made a motion to approve the proposed rule revisions to Certified Radiation Expert, OAC rule 3701:1-66-03 to go out for a second public comment period. Ruth Hackworth seconded the motion; the REC members present unanimously approved the proposed revisions to go out for public comment.

ODH and REC began five-year review of OAC Chapter 3701:1-66.

New Business:

Next REC Meeting

ODH and REC plan to review any public comments to proposed revisions to OAC rule 3701:1-66-03. Continue five-year review of Medical Radiation-Generating Equipment, OAC Chapter 3701:1-66.
