

2021 National Child Passenger Safety Week Schedule

Child Passenger Safety (CPS) Week is designed to increase awareness of the importance of properly restraining children in motor vehicles. In celebration of CPS Week, many local agencies are offering free seat check and awareness events throughout the week of September 19-25 due to COVID-19 local agencies may be offering these free checks and education virtually as well as promoting education and awareness on their local social media pages. If you are unable to attend an event during CPS Week or have questions about virtual education offerings, or do not see an event in your area, please locate and contact your [regional coordinator](#) to assist you in finding a fitting station or car seat event in your area.
