## **GMIS PORTAL TRANSITION OVERVIEW**

### **HOW ARE WE TRANSITIONING FROM LEGACY GMIS TO NEW GMIS PORTAL?**

The Legacy GMIS will eventually be phased out, however, both systems will be used for some time. Depending on the grant, some actions will be taken in the Legacy GMIS, while others will be in the new GMIS. Please refer to the tables below to see what actions need to be taken for SFY 2025 and SFY 2026 grants.

#### **Key notes about the following table:**

- Table is sorted by Project Start Date.
- The activities included in *Manage the Grant* are expense reports, progress reports, site visits, etc.
- Legacy GMIS = The current GMIS you're using to manage your ODH Grants.
- GMIS Portal = The new GMIS you'll use to manage your ODH Grants.
- *Last updated February 26, 2025. Table is subject to change.*
