

**Ohio Department of Health's School Nursing Program:
Medication Administration in Ohio Schools: Training for School Personnel
(Revised 2016)**

The newly revised course, *Medication Administration in Ohio Schools: Training for School Personnel* (Revised 2016), is now available online.

This medication administration train-the-trainer course is designed for licensed health professionals and builds upon their training and professional knowledge. Following successful completion of the training, the licensed health professional will have access to the course materials for training of designated school personnel in the administration of prescription medication to students. It is not meant for school personnel without health professional licensure—these individuals should seek training on medication administration from a licensed health professional as required by Ohio law.

The revised course content includes information on the current Ohio law permitting school districts to procure “stock” epinephrine and/or asthma inhaler medications. Updated sections include the video instruction components and the additional resources list. Updated skill checklists and post-tests for the medication administration modules are also available.

In order to access this training, you must have an account on OhioTRAIN. If you do not have an OhioTRAIN account, please go to <https://www.train.org/odh/welcome> and follow the instructions to create one. The course number in OhioTRAIN is **1051762**.

Nursing contact hours (5.5) will be available upon successful completion of all course components and post-tests at the minimum passing score of 80%.

Ohio Department of Health is an approved provider of continuing nursing education by the Ohio Nurses Association (OBN-001-91), an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. (OH-011, 4/1/2019).

If you have questions about the nursing contact hours or training, please contact Joan Keith at 614-728-2953 or Joan.Keith@odh.ohio.gov or Ann Connelly at 614-728-0386 or ann.connelly@odh.ohio.gov.
