Subject: Notice of Availability of Funds
Competitive Grant Applications for Calendar Year 2023,
Safety Net Dental Care Program I (CD23, 1/1/2023 to 12/31/2023)
Safety Net Dental Care Program II (DC23, 1/1/2023 to 12/31/2023)

The Ohio Department of Health (ODH), Bureau of Maternal, Child and Family Health, Oral Health Program announces the availability of grant funds to support the Safety Net Dental Care Programs. The attached Solicitation will provide guidance in completing the online applications for the competitive program period.

All electronic applications and attachments are due by **4:00 p.m., Monday, August 29, 2022** for the funding period January 1, 2023 through December 31, 2023. **Applications received after the due date will not be considered for funding.** Faxed, hand-delivered or mailed applications will not be accepted.

Introduction/Background

Ohio Medicaid Assessment Survey (OMAS) data for 2019 found that approximately 14.3% of Ohio adults (1,261,911) had unmet dental care needs, while 21% of adults with special health care needs and 21.6% of those with a disability reported unmet dental care needs. The data further show disparities by income, race and ethnicity. The target population for the Safety Net Dental Care Program is uninsured Ohioans who cannot afford and are less likely to receive dental services in the private sector and who are considered high risk for dental disease. Those at high risk include, but are not limited to people with disabilities, those who are low-income, minority and/or are geographically isolated.

Public health programs often serve as a safety net for those who cannot afford preventive or restorative dental treatment. Safety net dental care programs operate clinics that serve Medicaid recipients and offer sliding fee schedules, significantly reduced fees or free care to clients who otherwise cannot afford private dental care. Safety Net Dental Care Program I funds will be awarded to four to five agencies to serve children through age 21 and women of childbearing age up to age 45. Safety Net Dental Care Program II funds will be awarded to three to four agencies to serve males aged 22 and older and females aged 45 and up.

All interested parties must submit a *Notice of Intent to Apply for Funding* (NOIAF) no later than Wednesday, July 27, 2022 to be eligible to apply for funding. The NOIAF form is included with the Solicitation (Appendix A).

Upon receipt of your completed NOIAF, ODH will:

- a. Create the grant application account(s) for your organization¹. The account number(s) will allow you to complete the application(s) via the Internet using the Grant Management Information System (GMIS). All grant applications must be submitted via the Internet using GMIS.
- b. Assess your organization's GMIS training needs (as indicated on the completed *Notice of Intent to Apply for Funding* form). ODH will contact you regarding upcoming GMIS training dates. GMIS training is mandatory if your agency has never been trained on GMIS. Two people from an agency must attend the initial training for that agency.

Once a completed *Notice of Intent to Apply for Funding* form is received, the ODH creates the grant application(s) for your organization and finalizes all GMIS training requirements, you may proceed with the application process as outlined in the Solicitation. The Solicitation provides detailed information about the background, intent and scope of the grant, policies and procedures, performance expectations, general information and requirements associated with the administration of the grant.

Technical Assistance Session

A technical assistance session (Bidders' Conference) will be held on Tuesday, July 26, 2022 at 2:00 p.m. via Microsoft Teams virtual meeting platform. While attendance is not required, all potential applicants are encouraged to attend the Bidders' Conference to learn more about the Solicitation.

The ODH will share a screen through the Microsoft Teams platform. To join the meeting, please click on the link below, "Join on your computer or mobile app." If your agency does not have Microsoft Teams, you can join on a videoconferencing device or call in to use audio only. **PLEASE NOTE: Microsoft Teams works best using Google Chrome.**

I. APPLICATION SUMMARY and GUIDANCE

An application for an Ohio Department of Health (ODH) grant consists of a number of required components including an electronic portion submitted via the Internet website “ODH Application Gateway” and various paper forms and attachments. All the required components of a specific application must be completed and submitted by the application due date. **If any of the required components are not submitted by the due date indicated in sections D, G and R, the entire application will not be considered for review.**

This is a competitive solicitation; a Notice of Intent to Apply for Funding (NOIAF – Appendix A) must be submitted by July 27, 2022 so access to the application via the Internet website “ODH Application Gateway” can be established.

NEW AGENCIES ONLY or if UPDATES are needed: For non-profit agencies, the NOIAF must be accompanied by proof of non-profit status. Both non-profit and local public agencies must submit proof of liability coverage. Potential applicants and current subrecipients are required to maintain their current supplier information in the State of Ohio Supplier Portal. This information includes, but is not limited to, Electronic Funds Transfer (EFT), 1099 Form and current address.

This information is maintained on the following website: <http://supplier.ohio.gov/>

Note: Subrecipient’s future payments will be held if the agency receives a paper check due to the EFT information not being properly maintained in the supplier portal.

The application summary information is provided to assist your agency in identifying funding criteria:

A. Policy and Procedures: Uniform administration of all the ODH grants is governed by the ODH Grants Administration Policies and Procedures (OGAPP) manual and updates in policies that have been posted on the GMIS Bulletin Board. This manual and GMIS Bulletin Board policy updates must be followed to ensure adherence to the rules, regulations and procedures for preparation of all Subrecipient applications. The OGAPP manual is available on the ODH website: click or copy and paste the following link into your web browser: <https://odh.ohio.gov/wps/portal/gov/odh/about-us/funding-opportunities/resources/grants-administrative-policies-and-procedures-ogapp-manual>.

Updates to policies and procedures can be found on the GMIS bulletin board.

All budget justifications must include the following language and be signed by the agency head listed in GMIS. Please refer to the Budget Justification Templates listed on the GMIS bulletin board.

Budget Justification Certification language

- Subrecipient understands and agrees that it must follow the federal cost principle that applies to its type of organization (2 CFR, Part 225; 2 CFR, Part 220; or, 2 CFR, Part 230).
- Subrecipient’s budgeted costs are reasonable, allowable and allocable under OGAPP and federal rules and regulations.
- The OGAPP manual and the rules and regulations have been read and are understood.
- Subrecipient understands and agrees that costs may be disallowed if deemed unallowable or in violation of OGAPP and federal rules and regulations.

- The appropriate programmatic and administrative personnel involved in this application are aware of agency policy with regard to subawards and are prepared to establish the necessary inter-institutional agreements consistent with those policies.
- Subrecipient agrees and understands that costs incurred in the fulfillment of the Deliverables must be allowable under OGAPP and federal rules and regulations to qualify for reimbursement.

B. Application Name: **Safety Net Dental Care Program**

C. Purpose: The purpose of the Safety Net Dental Care Program is to provide access to comprehensive and emergency dental services to a significant number of Ohioans who could not afford and would not otherwise receive dental care (by offsetting a portion of the costs of providing uncompensated care) and to reduce disparities in access to dental care. Funding will be used to assist agencies that are challenged in meeting operating expenses as a result of seeing uninsured patients. Agencies that receive funding are ones that are operating efficiently and are financially sound as evidenced by key indicators such as number of encounters, costs, revenues, etc. as specified in Attachment 3, Budget Planning Worksheets. Some characteristics of efficient and effective clinics are they provide access to care for those who need it, the care provided is patient-centered, appropriate, high quality and cost-effective and a high priority is placed on the continuity of care. The Safety Net Dental Care Program will help support efficient clinics that cannot otherwise support the mission of serving the uninsured. The Ohio Department of Health, Oral Health Program grant funds are intended to leverage other program resources to provide services.

D. Qualified Applicants: All applicants must be a local public or non-profit agency that currently operates one or more safety net dental clinics for a minimum of 36 hours per week (25 hours per week for school-based programs). Applicant agencies must have the capacity to accept an electronic funds transfer (EFT). If an applicant agency needs GMIS access, then a GMIS access form must be submitted (Appendix B).

The following criteria must be met for grant applications to be eligible for review:

1. Applicant does not owe funds to ODH and has repaid any funds due within 45 days of the invoice date.
2. Applicant has not been certified to the Attorney General's (AG's) office.
3. Applicant has submitted application and all required attachments by **4:00 p.m. on Monday, August 29, 2022.**

E. Service Area: The Safety Net Dental Care Program may be designed to serve a city, county, combination of counties or other area defined by governmental subdivision of standard levels of geography (e.g., township, census tracts, etc.). Applicants serving populations located in higher need geographic areas (e.g., dental HPSAs, Appalachia, etc.) or areas with limited resources will be given priority.

F. Number of Grants and Funds Available: Funding to support the Safety Net Dental Care Program is derived from both state and federal sources. Agencies may apply for either or both grant programs described below:

Safety Net Dental Care Program I: Up to \$365,000 from HRSA's Maternal and Child Health (MCH) Block Grant is available to be awarded to an anticipated 4-5 Safety Net Dental Care programs serving the MCH population (children through age 21 and women of childbearing age, up to age 45) for the first year of funding (1/1/2023-12/31/2023). Funding for each of the continuation budget periods (1/1/2024-12/31/2024 and 1/1/2025-12/31/2025) will be based on the availability of funds. Eligible agencies may apply for funding in the competitive grant budget period (1/1/2023-12/31/2023) for a maximum award of \$100,000. Funded clinics may choose to be funded for one or both of the following:

1. Reimbursement for services provided to the target population at a rate of \$125 per encounter (required);
2. Reimbursement for dentures provided to the target population at the following rates (optional):
 - a. \$400 per complete maxillary or mandibular denture (codes D5110 and D5120);
 - b. \$205 per partial denture, resin (codes D5211 and D5212);
 - c. \$540.25 per partial denture, metal (codes D5213 and D5214); and,
 - d. \$200.00 per interim partial denture, one or two anterior teeth, also known as a “flipper” (codes D5820 and D5821)

The Safety Net Dental Care Program will continue to focus funds on preventive and restorative dental services. For agencies that wish to be reimbursed for dentures, a maximum of 25% of total funding requested may be for dentures. In order to eliminate disparities and improve health equity for this population, funded agencies may charge patients who are served with ODH funds a maximum copay amount of \$40 per encounter. A maximum copay will not apply to dentures.

Safety Net Dental Care Program II: Up to \$300,000 of state funds is available to be awarded to an anticipate 3-4 Safety Net Dental Care programs serving females aged 45 and older and males aged 22 and up (non-MCH population) for the first year of funding (1/1/2023-12/31/2023). Funding for each of the continuation budget periods (1/1/2024-12/31/2024 and 1/1/2025-12/31/2025) will be based on the availability of funds. Eligible agencies may apply for funding in the competitive grant budget period (1/1/2023-12/31/2023) for a maximum award of \$100,000. Funded clinics may choose to be funded for one or both of the following:

1. Reimbursement for services provided to the target population at a rate of \$125 per encounter (required);
2. Reimbursement for dentures provided to the target population at the following rates (optional):
 - a. \$400 per complete maxillary or mandibular denture (codes 5110 and D5120);
 - b. \$205 per partial denture, resin (codes D5211 and D5212);
 - c. \$540.25 per partial denture, metal (codes D5213 and D5214); and,
 - d. \$200 per interim partial denture, one or two anterior teeth, also known as a “flipper” (codes D5820 and D5821).

The Safety Net Dental Care Program will continue to focus funds on preventive and restorative dental services. For agencies that wis to be reimbursed for dentures, a maximum of 25% of total funding requested may be for dentures. In order to eliminate disparities and improve health equity for this population, funded agencies may charge patients who are served with ODH funds a maximum copay amount of \$40 per encounter. A maximum copay will not apply to dentures.

No grant award will be issued for less than \$30,000. The minimum amount is exclusive of any required matching amounts and represents only ODH funds granted. Applications submitted for less than the minimum amount will not be considered for review.

- G. Due Date:** All parts of the application, including any required attachments, must be completed and received by ODH electronically via GMIS by **4:00 p.m. on Monday, August 29, 2022**. Applications and required attachments received after this deadline will not be considered for review.

Contact Mona Taylor, Oral Health Access Program Coordinator, via email at Mona.Taylor@odh.ohio.gov or by phone at (614) 728-9236 with any questions.

H. Authorization: Authorization of funds for this purpose is contained in Amended Substitute House Bill 110 and/or the *Catalog of Federal Domestic Assistance (CFDA) Number 93.994*.

I. Goals: The goal of the Safety Net Dental Care sub-grant program is to reduce disparities and improve access to comprehensive and emergency dental care services for those Ohioans who are unlikely to receive dental services in the private sector and are considered high risk for dental disease. Those at high risk include, but are not limited to, people with disabilities, those who have low incomes, are minority and/or are geographically isolated.

Safety Net Dental Care Program I: Program funding is allocated to support clinics that serve the maternal and child health (MCH) population (children through age 21 and women of childbearing age, up to age 45). The funding may only be used for MCH clients who are uninsured for dental care, have incomes at or below 200% of poverty and pay reduced fees.

Safety Net Dental Care Program II: Program funding is allocated to support clinics that serve the non-MCH population females aged 45 and older, and males aged 22 and up). The funding may only be used for clients in the target population who are uninsured for dental care, have incomes at or below 200% of poverty and pay reduced fees.

Eligible agencies may apply for either one or both the Safety Net I and Safety Net II programs. Check all applicable boxes on the NOIAF (Appendix A).

J. Program Period and Budget Period: The program period for both Safety Net I and Safety Net II program will begin January 1, 2023 and end on December 31, 2025. The budget period for both applications is January 1, 2023 through December 31, 2023. ***A separate application is required for each program.***

K. Public Health Accreditation Board (PHAB) Standard(s): Identify the PHAB Standard(s) that will be addressed by grant activities. [(An example is: This grant program will address PHAB standard 3.1: Provide Health Education and Health Promotion Policies, Programs, Processes, and Interventions to Support Prevention and Wellness.)] The PHAB standards are available at the following website:

http://www.phaboard.org/wp-content/uploads/PHABSM_WEB_LR1.pdf

L. Public Health Impact Statement: All applicant agencies that are not local health districts must communicate with local health districts regarding the impact of the proposed grant activities on the PHAB Standards.

1. Public Health Impact Statement Summary — Applicant agencies are required to submit a summary of the proposal to local health districts prior to submitting the grant application to ODH. The program summary, not to exceed one page, must include:

Public Health Accreditation Board (PHAB) Standard(s) to be addressed by grant activities. Please select from the following:

- **Standard 1.3:** Analyze Public Health Data to Identify Trends in Health Problems, Environmental Public Health Hazards, and Social and Economic Factors that Affect the Public's Health.
- **Standard 1.4:** Provide and Use the Results of Health Data Analysis to Develop Recommendations Regarding Public Health Policy, Processes, Programs, or Intervention.
- **Standard 2.2:** Contain/Mitigate Health Problems and Environmental Public Health Hazards.
- **Standard 3.2:** Provide Information on Public Health Issues and Public Health Functions Through Multiple Methods to a Variety of Audiences.

- **Standard 4.1:** Engage with the Public Health System and the Community in Identifying and Addressing Health Problems through Collaborative Processes.
- **Standard 10.2:** Promote Understanding and Use of the Current Body of Research Results, Evaluations, and Evidence-Based Practices with Appropriate Audiences.

The applicant must submit the above summary as part of the grant application to ODH. This will document that a written summary of the proposed activities was provided to the local health districts with a request for their support and/or comment about the activities as they relate to the PHAB Standards.

2. *Public Health Impact Statement of Support* —Include with the grant application a statement of support from the local health districts, if available. If a statement of support from the local health districts is not obtained, indicate that point when submitting the program summary with the grant application. If an applicant agency has a regional and/or statewide focus, a statement of support should be submitted from at least one local health district, if available.
3. *Evidence of Health Equity Strategies*
The ODH is committed to the elimination of health disparities and achieving health equity for all Ohioans. The items below are requirements for all applicants to ensure health equity is embedded within all components of the application (e.g., Goals, Program Narrative, and Objectives.)
 - a. Identify specific groups who experience a disproportionate burden of disease, health condition or health outcome targeted by this solicitation. See Ohio's State Health Assessment and data: <https://odh.ohio.gov/wps/portal/gov/odh/explore-data-and-stats/interactive-applications/2019-online-state-health-assessment>
 - b. Identify geographic reference points (i.e., census tracts, census block groups or zip codes) to specify where program activities are focused. Consider using the Ohio Health Improvement Zones Dashboard to determine or refine your priority service areas. The dashboard was created to support and aid efforts to reach Ohioans living in communities that may experience barriers to health. The dashboard quantifies specific factors that affect the resilience of individuals and communities to achieve optimal health and overcome a disaster like COVID-19.

By understanding where these populations are located and what factors contribute to their levels of risk and overall health outcomes, subrecipients can collectively and holistically develop strategies to improve health in the communities that need it most. Interactive maps, census tract information and more can be found on the Ohio Health Improvement Zones Dashboard, here: <https://odh.ohio.gov/wps/portal/gov/odh/know-our-programs/health-equity/health-improvement-zones>.
 - c. Use direct or indirect feedback from the prioritized population, community, group, or community agency to identify specific social and environmental conditions (social determinants of health) associated with health disparities and health inequities.
 - d. Identify measurable health equity targets that demonstrate reducing disparities and improving health equity as critical goals to be achieved through program activities. This information must also be supported by data. For guidance on methodology to establish equity targets, review [2030 Target Setting Methodologies for Objectives in Healthy People 2030](#).

- e. Outline specific evaluation strategies to measure the impact of program activities on decreasing and/or eliminating health disparities and health inequities.

The following are best practices toward eliminating disparities and achieving health equity and are not required, but highly encouraged.

- f. Link proposed activities to health equity strategies identified in local, state or national planning documents. These documents include, but are not limited to strategies, goals and objectives outlined in [Healthy People 2030](#), the [State Health Improvement Plan \(SHIP\)](#) and local Community Health Assessments.
 - State Health Improvement Plan - <https://odh.ohio.gov/wps/portal/gov/odh/about-us/sha-ship>
 - Healthy People 2030 - <https://health.gov/healthypeople>
- g. Develop staffing plans where board members, leadership and program staff reflect the race, ethnicity, background, and/or culture of the population being served.
- h. Identify up- and downstream approaches to address social determinants of health and reduce disparities. Upstream factors like food, housing and income insecurity that focus on addressing social determinants of health decrease barriers and improve supports that provide opportunity for people to achieve their full health potential. Downstream approaches focus on providing equitable access to care and services to reduce the negative impact of social determinants on health outcomes.
- i. Establish non-traditional partnerships among different sectors of the community (e.g., faith-based organizations, local industries, businesses, universities, healthcare) that can provide valuable insight, new perspective, and more effective ways to achieve program goals. Non-traditional partners create opportunity to collaborate across sectors and may serve as a new source of support for the program.

Understanding Health Disparities, Health Inequities, Social Determinants of Health & Health Equity: The following information is provided to explain key health equity concepts and terms.

Racial and ethnic minorities, those living in rural communities, people with disabilities, the LGBTQ community and Ohio's economically disadvantaged residents do not have the same opportunities as other groups to achieve and sustain optimal health. Health disparities occur when these groups experience more disease, death or disability beyond what would normally be expected based on their relative size of the population. Health disparities are often characterized by such measures as disproportionate incidence, prevalence and/or mortality rates of diseases or health conditions. Health is largely determined by where people live, learn, work, play, and age. Health disparities are unnatural and occur because of low socioeconomic status, race/ethnicity, sexual orientation, gender, disability status, geographic location or some combination of these factors. Those most impacted by health disparities also tend to have less access to resources like healthy food, safe housing, quality education, safe neighborhoods and freedom from racism and other forms of discrimination. These are referred to as **social determinants of health (SDOH)**. SDOH are a root cause of health disparities. The systematic nature of health disparities is considered unjust and is referred to as **health inequities**. The ability of everyone to have the same opportunity to achieve the best health possible is referred to as **health equity**. Programs that incorporate social determinants into the planning and implementation of interventions will greatly contribute to advancing health equity.

M. Human Trafficking: The ODH is committed to the elimination of human trafficking in Ohio. If applicable to the subrecipient program, ODH will give priority consideration to those subrecipients who can demonstrate the following:

1. Victims of human trafficking are included in your agency's target population;
 - a. At-risk population
 - b. Mental health population
 - c. Homeless population
2. Agency promotes the expansion of services to identify and serve those affected by human trafficking.

 X Applicable to Safety Net Dental Care Program

N. Appropriation Contingency: Any award made through this program is contingent upon the availability of funds for this purpose. **The subrecipient agency must be prepared to support the costs of operating the program in the event of a delay in grant payments.**

O. Programmatic, Technical Assistance and Authorization for Internet Submission: Initial authorization for Internet submission, for new agencies, will be granted after participation in the GMIS training session. All other agencies will receive their authorization after the posting of the Solicitation to the ODH website and the receipt of the NOIAF. Please contact Mona Taylor, Oral Health Access Program Coordinator, via email at Mona.Taylor@odh.ohio.gov or by phone at (614) 728-9236 for questions regarding this Solicitation.

P. Acknowledgment: An Application Submitted status will appear in GMIS that acknowledges ODH system receipt of the application submission.

Q. Late Applications: GMIS automatically provides a time and date system for grant application submissions. Required attachments and/or forms sent electronically must be transmitted by the application due date. Required attachments and/or forms mailed that are non-Internet compatible must be postmarked or received on or before the application due date of **Monday, August 29, 2022 at 4:00 p.m.**

Applicants should request a legibly dated postmark or obtain a legibly dated receipt from the U.S. Postal Service or a commercial carrier. Private metered postmarks shall **not** be acceptable as proof of timely mailing. Applicants can hand-deliver attachments to ODH, Grants Services Unit (GSU), via the front desk at 246 N. High St., Columbus, Ohio; but they must be delivered by **4:00 p.m.** on the application due date. Fax attachments will not be accepted. **GMIS applications and required application attachments received late will not be considered for review.**

R. Successful Applicants: Successful applicants will receive official notification in the form of a Notice of Award (NOA). The NOA, issued over the signature of the Director of the Ohio Department of Health, allows for expenditure of grant funds.

S. Unsuccessful Applicants: Within 30 days after a decision to disapprove or not fund a grant application, written notification, issued over the signature of the Director of Health, or his designee, shall be sent to the unsuccessful applicant.

T. Review Criteria: All proposals will be judged on the quality, clarity and completeness of the application. Applications will be judged according to the extent to which the proposal:

1. Includes a workplan and/or logic model that demonstrates how activities reduce health disparities and inequities;
2. Is responsive to policy concerns and program objectives of the initiative/program/activity for which grant dollars are being made available;
3. Is well executed and is capable of attaining program objectives;
4. Describes Specific, Measurable, Attainable, Realistic & Time-Phased (S.M.A.R.T.) objectives, activities, milestones and outcomes with respect to timelines and resources;
5. Estimates reasonable cost to the ODH, considering the anticipated results;
6. Indicates that program personnel are well qualified by training and/or experience for their roles in the program and the applicant organization has adequate facilities and personnel reflect the communities served through grant funds;
7. Provides an evaluation plan, including a design for determining program success and demonstrates that the community being served will be meaningfully engaged in formative and outcome evaluations;
8. Is responsive to the special concerns and program priorities specified in the Solicitation;
9. Has demonstrated acceptable past performance in areas related to programmatic and financial stewardship of grant funds;
10. Has demonstrated compliance to OGAPP;
11. Explicitly identifies specific groups in the service area who experience a disproportionate burden of the diseases, health condition(s), or who are at an increased risk for problems addressed by this funding opportunity; and,
12. Describes activities which support the requirements outlined in sections I. thru M. of this Solicitation.

Safety Net Dental Care Program-Specific Review Criteria:

1. Program provides comprehensive and emergency dental care services for a significant number of patients who are uninsured or covered by Medicaid or a Medicaid-contracting managed care plan. The projected number of patients should provide detailed assumptions underlying that projection.
2. Application estimates the number and percentage of maternal and child health (MCH) population that includes children through age 21 and women of childbearing age up to age 45. *Applicant assures care is available to children without a minimum age restriction.*
3. Application estimates the number and percentage of the non-MCH population to be served. This population includes males aged 22 and older and females aged 45 and up.
4. Application demonstrates collaboration among community partners. Agencies may choose to partner with neighboring communities to create target populations and service areas that meet the Solicitation criteria.
5. Clinical comprehensive and emergency dental care, including restorative care, is regularly available at least 36 hours per week (25 hours for school-based programs) and yields a number of patient visits equivalent to or more than a full-time practice (2,500-3,200 visits per full-time dentist and 1,300-1,600 visits per full-time hygienist). A proportionally reduced number of patient visits are allowable for school programs based on the program's actual FTEs. In addition, a reduced number of patient visits of 2,000 per FTE per year is allowable for dental residents participating in a dental residency program.
6. Comprehensive dental care is the coordinated delivery of the total dental care needed to meet each patient's oral health needs, recognizing that there are often a range of alternatives to restore function and freedom from

pain and infection. Clinical comprehensive dental services provided must include:

- a. Diagnostic/preventive care (e.g., exams, x-rays, cleanings, sealants, fluoride treatments, etc.). Program demonstrates commitment to assess the individual caries risk of all clients and to provide preventive services consistent with that risk level and published guidelines of a reputable agency or organization. For example, it is important to individualize the clinic's recall system according to the patient's risk level. Some patients may need appointments less frequently than the standard six-month recall schedule, while a few others may need more frequent recall appointments. In addition, the program demonstrates a commitment to provide routine periodontal screening as part of the oral health evaluation to determine the periodontal status of all adult clients using tools and guidelines of a reputable agency or organization. The screening should identify patients who need a more comprehensive assessment, as well as those who may require more extensive periodontal therapy;
 - b. Emergency care (e.g., extractions, pain relief, trauma care, etc.);
 - c. Restorative care (e.g., amalgam and resin restorations, stainless steel crowns and pulpotomies for children, etc.); and,
 - d. Provision must be made for other services (e.g., dentures, partials, periodontal therapy, etc.) when essential.
7. Program will provide services using the "quadrant dentistry" standard of care in order to minimize the number of encounters and avoid "churning" (maximizing revenues by maximizing the number of encounters).
 8. Ensure services are available at convenient hours (e.g., evenings, weekends, etc.) for the patients. If no evening or weekend hours are available, justification must be provided.
 9. Demonstrate a commitment to make dental care accessible by:
 - a. Ensuring that dental services are accessible to patients with disabilities and that clinic staff ask patients if they require disability accommodations in advance of their appointments;
 - b. Ensuring all Medicaid-eligible patients are enrolled in the program, providing assistance, as necessary;
 - c. Billing Medicaid or the appropriate Medicaid-contracting managed care plan for all eligible services;
 - d. Using funds collected from Medicaid to support the program;
 - e. Utilizing a sliding fee schedule (SFS) or offering other fee arrangements that makes care affordable for low-income patients;
 - f. Assuring no one is denied care based on inability to pay; and,
 - g. Assuring no one is denied care based on disability (physical, cognitive or sensory) and that services are accessible to patients with disabilities.
 10. Reflect accurate information about all sources of revenue and expenses on the Budget Planning Worksheets (Attachment 3).
 11. Utilize Section 330 grant funds to provide partial support to the dental clinic if agency is a federally qualified health center (FQHC). Indicate these funds on the *Revenues* tab of the Budget Planning Worksheets (Attachment 3).
 12. Demonstrate efficient clinic operations as evidenced by the reasonable and measurable key indicators specified in Attachment 3, Budget Planning Worksheets. Efficient clinics must have adequate and appropriate staffing as recommended by nationally recognized safety net dental clinic resources (e.g., Safety Net Dental Clinic Manual).

At a minimum, a 3-chair clinic must have 1.0 FTE dentist, 1.0 FTE dental hygienist and 2.0 FTE dental assistants. ODH recommends clinics utilize expanded functions dental auxiliaries (EFDAs) to achieve optimal efficiency and productivity. Program assures all clinical staff are working at the top of their licenses.

13. Program has developed and implemented policies and procedures to assess, maintain and improve the quality of clinical services provided, as well as administrative processes and systems in order to support the provision of high-quality dental care. Dental clinic quality measures include policies to ensure a high rate of treatment plan completion and a low rate of broken appointments (ideally $\leq 15\%$).
14. Program assures services are being provided consistent with current CDC guidelines for infection control and prevention.
15. If previously funded for the Safety Net Dental Care Program (i.e., in the past five years), agency demonstrated acceptable past performance, including:
 - a. Meeting objectives/targets or making acceptable progress toward meeting objectives/targets as outlined in the agency's proposal or agreed to with the Oral Health Program;
 - b. Spending ODH grant funds in accordance with approved budget;
 - c. Submitting timely, complete, accurate and reasonable program and expenditure reports; and,
 - d. Responding to special conditions in a timely manner.

Applicants may not use Safety Net Dental Care Program funds to supplant existing funds. The Ohio Department of Health, Oral Health Program funds are intended to leverage other program resources to provide services.

IMPORTANT: Grant applications will not be considered without the required 2023 Safety Net Dental Care Program Attachments. **NOTE: These required forms must be completed and submitted via GMIS attachment by the application due date. Program attachments include:**

- Attachment 1, 2023 Program Information and Assurances
- Attachment 2, 2023 Program Objectives/Targets
- Attachment 3, 2023 Budget Planning Worksheets

Please note: An electronic version of the above documents will be provided upon receipt of the applicant's NOIAF. Complete and submit the electronic versions of these documents for the application, not the hard copy examples in this Solicitation.

Additional details of scoring can be found in Appendix D, Safety Net Dental Care Program Application Review Form.

The ODH will make the final determination and selection of successful/unsuccessful applicants and reserves the right to reject any or all applications for any given Solicitations. **There will be no appeal of the Department's decision.**

U. Freedom of Information Act: The Freedom of Information Act (5 U.S.C. 552) and the associated Public Information Regulations require the release of certain information regarding grants requested by any member of the public. The intended use of the information will not be a criterion for release. Grant applications and grant-related reports are generally available for inspection and copying except that information considered being an unwarranted invasion of personal privacy will not be disclosed. For guidance regarding specific funding sources, refer to: 45 CFR Part 5 for funds from the U.S. Department of Health and Human Services.

- V. Ownership Copyright:** Any work produced under this grant, including any documents, data, photographs and negatives, electronic reports, records, software, source code, or other media, shall become the property of ODH, which shall have an unrestricted right to reproduce, distribute, modify, maintain, and use the work produced. If this grant is funded in whole, or in part, by the federal government, unless otherwise provided by the terms of that grant or by federal law, the federal funder also shall have an unrestricted right to reproduce, distribute, modify, maintain, and use the work produced. No work produced under this grant shall include copyrighted matter without the prior written consent of the owner, except as may otherwise be allowed under federal law.

ODH must approve, in advance, the content of any work produced under this grant. All work must clearly state:

“This work is funded either in whole or in part by a grant awarded by the Ohio Department of Health, Bureau of Maternal, Child and Family Health, Oral Health Program, and as a sub-award of a grant issued by Health and Human Services under Title V, Maternal and Child Health Block Grant, CFDA number 93.994.”

- W. Reporting Requirements:** Successful applicants are required to submit Subrecipient program and expenditure reports. Reports must adhere to the requirements of the OGAPP manual. Reports must be received in accordance with the requirements of the OGAPP manual and this Solicitation before the department will release any additional funds.

Note: Failure to ensure the quality of reporting by submitting incomplete and/or late program or expenditure reports will jeopardize the receipt of future agency payments.

Reports shall be submitted as follows:

- 1. Program Reports:** Subrecipient Program Reports for the Safety Net Dental Care Program must be completed and submitted via the online REDCap reporting system (subrecipients will receive a link to the online report). Program Reports must include data for the agency’s entire dental program. After completing and submitting the online report, subrecipient agencies must verify submission in GMIS. Online submission and verification are due by the following dates:

☒ Program Reports Required ☐ No Program Reports Required

Period	Report Due Date
January 1 – March 31, 2023	April 10, 2023
April 1 – June 30, 2023	July 10, 2023
July 1 – September 30, 2023	October 10, 2023
October 1 – December 31, 2023	January 10, 2023

Submission of Subrecipient Program Reports via GMIS indicates acceptance of the OGAPP.

- 2. Subrecipient Reimbursement Expenditure Reports:** Subrecipient Expenditure Reports for the Safety Net Dental Care Program may only be submitted for quarterly reimbursement (expenditure report submission) from ODH. Subrecipient Quarterly Reimbursement Expenditure Reports must be completed and submitted **via GMIS** by the following dates:

Period	Report Due Date
January 1 – March 31, 2023	April 10, 2023
April 1 – June 30, 2023	July 10, 2023

November 1 – 30, 2023	December 10, 2023
December 1 – 31, 2023	January 10, 2024

Note: Obligations not reported on the final monthly or 4th quarter expenditure report will not be considered for payment with the final expenditure report.

- Final Expenditure Reports:** A Subrecipient Final Expenditure Report reflecting total expenditures for the fiscal year must be completed and submitted **via GMIS by 4:00 p.m.** on or before February 5, 2024. The information contained in this report must reflect the program’s accounting records and supportive documentation. Any cash balances must be returned with the Subrecipient Final Expense Report. The Subrecipient Final Expense Report serves as an invoice to return unused funds.

Submission of the Quarterly and Final Subrecipient Expenditure reports via the GMIS system indicates acceptance of OGAPP. Clicking the “Approve” button signifies authorization of the submission by an agency official and constitutes electronic acknowledgment and acceptance of OGAPP rules and regulations.

- Special Condition(s):** A Special Conditions link is available for viewing and responding to special conditions within GMIS. The 30-day time period, in which the subrecipient must respond to special conditions will begin when the link is viewable. Subsequent payments will be withheld until satisfactory responses to the special conditions or a plan describing how those special conditions will be satisfied is submitted in GMIS.

Y. Unallowable Costs: Funds **may not** be used for the following:

1. To advance political or religious points of view or for fund raising or lobbying;
2. To disseminate factually incorrect or deceitful information;
3. Consulting fees for salaried program personnel to perform activities related to grant objectives;
4. Bad debts of any kind;
5. Contributions to a contingency fund;
6. Entertainment;
7. Fines and penalties;
8. Membership fees — unless related to the program and approved by ODH;
9. Interest or other financial payments (including but not limited to bank fees);
10. Contributions made by program personnel;
11. Costs to rent equipment or space owned by the funded agency;
12. Inpatient services;
13. The purchase or improvement of land; the purchase, construction, or permanent improvement of any building;
14. Satisfying any requirement for the expenditure of non-federal funds as a condition for the receipt of federal funds;
15. Payments to any person for influencing or attempting to influence members of Congress or the Ohio General Assembly in connection with awarding of grants;

Applicants may not use Safety Net Dental Care Program funds to supplant existing funds.

Subrecipients will not receive payment from ODH grant funds used for prohibited purposes. ODH has the right to recover funds paid to Subrecipients for purposes later discovered to be prohibited.

AA. Audit: Subrecipients currently receiving funding from the ODH are responsible for submitting an independent audit report. Every subrecipient will fall into one of two categories which determine the type of audit documentation required.

Subrecipients that expend \$750,000 or more in federal awards per fiscal year are required to have a single audit which meets OMB's Federal Uniform Administrative Requirements. The subrecipient must submit a copy of the auditor's management letter, a corrective action plan (if applicable) and a data collection form (for single audits) within 30 days of the receipt of the auditor's report, but no later than nine months after the end of the Subrecipient's fiscal year. The fair share of the cost of the single audit is an allowable cost to federal awards provided that the audit was conducted in accordance with the requirements of OMB's Federal Uniform Administrative Requirements.

Subrecipients that expend less than the \$750,000 threshold require a financial audit conducted in accordance with Generally Accepted Government Auditing Standards. The Subrecipient must submit a copy of the audit report, the auditor's management letter, and a corrective action plan (if applicable) within 30 days of the receipt of the auditor's report, but no later than nine months after the end of the Subrecipient's fiscal year. **The financial audit is not an allowable cost to the program.**

Once an audit is completed, a copy must be sent to <https://harvester.census.gov/facweb/> or to the ODH, Grants Services Unit, (GSU) within 30 days. Reference: OGAPP and OMB's Omni Circular Federal Uniform Administrative Requirements regarding Audits of States, Local Governments, and Non-Profit Organizations for additional audit requirements.

Subrecipient audit reports, finalized and published, and including the audit Management Letters (if applicable), **which include internal control findings, questioned costs or any other serious findings, must include a cover letter which:**

- Lists and highlights the applicable findings;
- Discloses the potential connection or effect (direct or indirect) of the findings on subgrants passed through the ODH; and,
- Summarizes a Corrective Action Plan (CAP) to address the findings. A copy of the CAP should be attached to the cover letter.

AB. Submission of Application:

Formatting Requirements:

- Properly label each item of the application packet (e.g., Budget Narrative, Program Narrative, etc.).
- Each section should use 1.5 spacing with one-inch margins.
- Program and Budget Narratives must be submitted in portrait orientation on 8 ½" x 11" paper.
- Number all pages (print on one side only).
- Program Narrative should not exceed 11 pages (**excludes** appendices, attachments, budget and budget narrative).
- Use a 12-point font.
- Forms must be completed and submitted in the format provided by ODH.

II. APPLICATION REQUIREMENTS AND FORMAT

Agencies will receive GMIS access after the Notice of Intent to Apply for Funding for is submitted to ODH.

All applications must be submitted via GMIS. Submission of all parts of the grant application via the ODH's GMIS system indicates acceptance of OGAPP. Submission of the application signifies authorization by an agency official and constitutes electronic acknowledgment and acceptance of OGAPP rules and regulations in lieu of an executed Signature Page document.

- A. Application Information:** Information on the applicant agency and its administrative staff must be accurately completed. This information will serve as the basis for necessary communication between the agency and the ODH.
- B. Budget:** Prior to completion of the budget section, please review page 15 of the Solicitation for unallowable costs. Match or Applicant Share is not required by this program. Do not include Match or Applicant Share in the budget and/or the Applicant Share column of the Budget Summary. Only the narrative and Attachment 3, Budget Planning Worksheets may be used to identify additional funding information from other resources.
- 1. Primary Reason and Justification Pages:** Provide a budget justification narrative outlining how the deliverable will be met. A budget justification example can be found on the GMIS Bulletin Board or in Appendix E.
 - 2. Other Direct Costs:** Submit a budget for this section and the necessary form(s) to support costs for the period January 1, 2023 to December 31, 2023.
- The applicant shall retain all original fully executed contracts on file.
- 3. Compliance Section:** Answer each question on this form in GMIS as accurately as possible. *Completion of the form ensures your agency's compliance with the administrative standards of ODH and federal grants.*
- C. Assurances Certification:** Each subrecipient must submit the Assurances (Federal and State Assurances for subrecipients) form within GMIS. This form is submitted as a part of each application via GMIS. The Assurances Certification sets forth standards of financial conduct relevant to receipt of grant funds and is provided for informational purposes. The listing is not all-inclusive, and any omission of other statutes does not mean such statutes are not assimilated under this certification. Review the form and then press the "Complete" button. By submission of an application, the subrecipient agency agrees by electronic acknowledgment to the financial standards of conduct as stated therein.
- D. Project Narrative:** (Limited to a maximum of 11 pages including the Executive Summary but excluding attachments.)
- 1. Executive Summary:** (One page limit) Identify the target population, services and programs to be offered and what agency or agencies will provide those services and describe the burden of health disparities and health inequities related to this grant funding. Describe the public health problem(s) that the program will address. Describe the program goals, carries risk assessment, preventive services and treatment guidelines that will be used to reach the target population. Describe how the program will be evaluated and the agency's plan for quality assurance. Specify the program's objectives. At a minimum, these should include a) the clinic(s) hours of operation each day and the

average number of hours per week available for clinical care (Attachment 1, Item #1), b) percentage of unduplicated patients who are uninsured (Attachment 1, Item #2), c) number of encounters for the target population (Attachment 2, Items # 6 and 7), d) anticipated program income and how it's estimated (Attachment 3, *Patient Encounters and Revenues*), and e) total program budget and proportion represented by this grant (Attachment 3, *Summary*).

- 2. Description of Applicant Agency/Documentation of Eligibility/[Personnel]:** Briefly discuss the applicant agency's eligibility to apply. Summarize the agency's structure as it relates to this program and, as the lead agency, how it will manage the program. Note any personnel or equipment deficiencies that will need to be addressed in order to carry out this grant. Describe plans for hiring and training, as necessary.

Describe the capacity of your organization, its personnel or contractors to communicate effectively and convey information in accordance with National Standards for Culturally and Linguistically Appropriate Services (CLAS) and Americans with disabilities Act (ADA) Standards for Effective Communication in a manner and method that is easily understood by diverse audiences. This includes persons of limited English proficiency, those who are not literate, have low literacy skills, and individuals with disabilities.

- National CLAS Standards
<https://thinkculturalhealth.hhs.gov/clas#:~:text=The%20National%20CLAS%20Standards%20are,culturally%20and%20linguistically%20appropriate%20services.>
- ADA Standards for Effective Communication, <https://www.ada.gov/effective-comm.htm>

- 3. Problem/[Need]:** Identify and describe the local health status concern(s) that will be addressed by the program. Only provide national and state data if local data is not available. The specific health status concerns that the program intends to address may be stated in terms of disparity (e.g., population, location), health status (e.g., morbidity and/or mortality) or health system (e.g., accessibility, availability, affordability, appropriateness, quality of health services) indicators. The indicators should be measurable in order to serve as baseline data upon which evaluation will be based.

Clearly identify the target population. Explicitly describe segments of the target population who experience a disproportionate burden of dental disease or who are at increased risk of dental disease. Provide information about geographic location of providers if applicant is located in a higher dental need area, e.g., dental health professional shortage area (HPSA), Appalachia, or other area with limited dental resources.

Include a description of other agencies/organizations in your area also addressing this problem/need.

Methodology: In narrative form, identify the program goals, **SMART** process, impact, or outcome objectives and activities. Indicate how they will be evaluated to determine the level of success of the program. Describe how program activities are designed to address health disparities and/or health inequities identified in Section II, D (3), Problem/Need. Complete Attachment 2, 2023 Program Objectives/Targets to identify program objectives and targets. NOTE: Objectives for reducing the broken appointment rate and completion of treatment plans are measures of program quality.

The following SMART objectives must be submitted as the objectives the agency will be working toward accomplishing in 2023 (insert numbers specific to your program):

- a. Program will serve ____ (#) total unduplicated patients by December 31, 2023;
- b. Program will provide dental care to ____ (#) unduplicated maternal and child health (MCH) patients (children through age 21 and women of reproductive age up to age 45) by December 31, 2023;
- c. Program will provide dental care to ____ (#) unduplicated non-MCH patients (males aged 22 and older and females aged 45 and up) by December 31, 2023;
- d. Program will provide dental care to ____ (#) uninsured MCH patients with low incomes ($\leq 200\%$ of poverty) who pay reduced fees by December 31, 2023;
- e. Program will provide dental care to ____ (#) uninsured non-MCH patients with low incomes who pay reduced fees by December 31, 2023;
- f. Program estimates ____ (#) encounters for uninsured MCH patients with low incomes who pay reduced fees by December 31, 2023;
- g. Program estimates ____ (#) encounters for uninsured non-MCH patients with low incomes who pay reduced fees by December 31, 2023;
- h. Program's No Show/Broken Appointment Rate will decrease by ____ % to ____ % by December 31, 2023, if currently greater than 15%;
- i. Program estimates ____ % of unduplicated patients currently have treatment plans;
- j. Program will complete ____ % of current treatment plans by December 31, 2023.

E. Civil Rights Review Questionnaire — EEO Survey: The Civil Rights Review Questionnaire Survey is a part of the Application Section of GMIS. Subrecipients must complete the questionnaire as part of the application process. This questionnaire is submitted automatically with each application via the Internet.

F. Federal Funding Accountability and Transparency Act (FFATA): All applicants applying for ODH grant funds are required to complete the FFATA reporting form in GMIS. Applicants must ensure that the information contained in SAM.gov, DUN & Bradstreet and the FFATA reporting form match. ODH will hold all payments if an applicant's information does not successfully upload into the federal system.

All applicants for ODH grants are required to obtain a Data Universal Number System (DUNS), register in SAM.gov and submit the information in the grant application. For information about the DUNS, go to www.dnb.com. For information about System for Award Management (SAM) go to <https://beta.sam.gov/>.

Information on Federal Spending Transparency can be located at www.usaspending.gov or the Office of Management and Budget's website for Federal Spending Transparency at <https://www.whitehouse.gov/>.

Required by all applicants, the FFATA form is located on the GMIS Application page and must be completed in order to submit the application.

G. Attachment(s): Attachments are documents which are not part of the standard GMIS application but are deemed necessary to a given grant program. All attachments must clearly identify the authorized program name and program number. All attachments submitted to GMIS must be attached in the "Project Narrative" section and be in one of the following formats: PDF, Microsoft Word or Microsoft Excel. Please see the GMIS bulletin board for instructions on how to submit attachments in GMIS. Attachments that are non-Internet compatible must be postmarked or received on or before the application due date. An original and the required number of copies of non-Internet compatible attachments must be mailed to the ODH, Grants Services Unit, Central Master Files address by **4:00 p.m. on or before Monday, August 29, 2022.**

A minimum of an original and one copy of non-Internet attachments are required.

Appendix C1

Name of Subgrant Program: Safety Net Dental Care Program I (CD23) and II (DC23)

Budget Period: January 1, 2023 – December 31, 2023

of Deliverables: 2

Use Budget Justification Scenario: #3

X Deliverables Only

Deliverable — Objective 1: Encounters/Visits Providing Dental Services to Target Population (Required)

Applicant agency will define the total number of encounters to be provided to clients who meet the program-specific criteria as outlined below during the budget period. ODH will reimburse subrecipient agencies \$125 per encounter/visit for the target population. Subrecipient agency may charge a maximum co-pay of \$40 per encounter/visit for encounters/visits submitted to ODH for reimbursement.

Deliverable — Objective 2: Provision of Dentures (Optional)

Maximum Funding for Deliverable 2 is 25% of total funding requested.

Applicant agency will define the total number and type of dentures to be provided to clients who meet the program-specific criteria as outlined below during the budget period. ODH will reimburse subrecipient agencies the following:

- a. \$400 per complete maxillary or mandibular denture (dental codes D5110 and D5120)
- b. \$205 per partial denture, resin (dental codes D5211 and D5212)
- c. \$540.25 per partial denture, metal (dental codes D5213 and D5214)
- d. \$200 per interim partial denture, one or two anterior teeth, also known as a “flipper” (dental codes D5820 and D5821)

A maximum co-pay does not apply to denture units submitted to ODH for reimbursement.

ATTACHMENT 2**2023 SAFETY NET DENTAL CARE PROGRAM OBJECTIVES/TARGETS**

Agency Name:	
Proposal Number:	

PROGRAM OBJECTIVES/TARGETS	NUMBER OR PERCENTAGE
1. Estimate the total number of unduplicated patients the dental program (all clinics) will serve during calendar year (CY) 2023.	
2. Estimate the total number of unduplicated maternal and child health (MCH) patients (women of childbearing age up to age 45 and children through age 21) to be served by the dental program in CY2023.	
3. Estimate the total number of unduplicated non-MCH patients (women aged 45 and older, men aged 22 and up) to be served by the dental program in CY2023.	
4. Estimate the total number of uninsured MCH patients with low incomes who pay reduced fees to be served by the dental program in CY2023.	
5. Estimate the total number of uninsured non-MCH patients with low incomes who pay reduced fees to be served by the dental program in CY2023.	
6. Estimate the total number of encounters for uninsured MCH patients with low incomes who pay reduced fees in CY2023.	
7. Estimate the total number of encounters for uninsured non-MCH patients with low incomes who pay reduced fees in CY2022.	
8. If program's current "No Show/Broken Appointment" rate is > 15%, estimate the reduction in rate for CY2023.	
9. Estimate the percentage of patients who currently have treatment plans.	
10. Of those with current treatment plans, estimate the percentage of treatment plans the program will complete in CY2023.

DIRECTIONS FOR USING THE 2023 SAFETY NET DENTAL CARE PROGRAM
BUDGET PLANNING WORKSHEETS (1/1/2023 - 12/31/2023)

There are four budget worksheets contained in this file. Each worksheet has a tab below. Click on the tab to activate the worksheet.

PLEASE NOTE:

COMPLETE THIS FOR THE BUDGET PERIOD OF TWELVE MONTHS.

Please be certain to submit this completed file with your application.

- STEP 1** Open the Expenses worksheet. **Type your program name in cell A1** (automatically enters this information in the other worksheets). Complete the **unshaded** cells. Column F should represent the total budget.
- STEP 2** Open the Patient Encounters worksheet. Complete the **unshaded** cells. Do not count "hygiene checks" as a dentist patient encounter. The total number of patient visits will automatically appear on the Revenue worksheet.
- STEP 3** Open the Revenue worksheet. Complete the **unshaded** cells. Estimated number of encounters/year is the total number of Dentist/Hygienist patient visits per year calculated in the Patient Encounters worksheet. Be sure the percent of encounters total 100%. **DO NOT include funds you are requesting from the ODH Safety Net Dental Care Program in your estimated revenues.**
- STEP 4** Summary - "The Bottom Line" worksheet. You do not need to enter any figures into this worksheet. All figures are automatically imported from the Expenses and Revenue worksheets.

**General
Notes:**

If you see a **red triangle** in the upper-right hand corner of a cell, roll your mouse pointer over the cell for an explanation or instructions on that item. If you click in the cell, you can then right-click, highlight "show comment" and the comment box will remain displayed even if you move your mouse. You can right-click again, and select "Hide Comment".

If the print in a comment box is too small, increase the magnification by:

- clicking "File" on your menu bar at the top of your screen,
- click "Zoom",
- select a higher percentage - or enter a higher number next to "custom"

Any references to "chapters", "sections", "topics", or additional resources refer to information which can be found at **www.dentalclinicmanual.com**.

If you need to add any rows in the Expenses, Patient Encounters or Revenue worksheets, call Mona Taylor at (614) 728-9236 for assistance with this feature. We will help you be certain that your changes are reflected in any cells which calculate totals or sub-totals.
