What is ImpactSIIS?

ImpactSIIS is an online statewide secure system that keeps track of adult and childhood immunizations for Ohio residents.

ImpactSIIS Can Help - Your records are protected and can only be accessed by authorized users with restricted access.

Is it just for immunizations?

No, ImpactSIIS provides data for the following:

- Immunizations.
- Lead Test Results.

Who are the authorized users?

- Immunization Providers.
- Schools.
- Local Health Departments
- Women Infants and Children (WIC) program staff.

Is everyone using ImpactSIIS?

No, not everyone. ImpactSIIS is used by health care providers, school/Head Start nurses, WIC staff, and managed care organizations. Ask your doctor, school nurse or health department if they are using ImpactSIIS.

ImpactSIIS saves your immunization information - even if you move.

- Records can be accessed by authorized users via ImpactSIIS's secure website no matter where you are.
- Be sure to ask your doctor, clinic, or health department if they are participating in ImpactSIIS.

Your participation in ImpactSIIS is encouraged, but not required.

Participating providers may enter immunizations into ImpactSIIS with your consent. If you would like your records included, speak with your provider or local health department.
