Cribs for Kids Partners

The Ohio Department of Health (ODH), Bureau of Maternal, Child and Family Health works with Cribs for Kids[®] and partners throughout Ohio to provide free Graco Pack 'n Plays[®] to families who could not otherwise afford them (while quantities last). Graco Pack 'n Plays[®] are certified as being compliant with Consumer Product Safety Commission standards; they are safe for all naps and overnight sleep during the first year of an infant's life. The Pack 'n Play is part of a safe sleep kit which also includes: a Pack 'n Play sheet, Philips Soothie pacifier, Halo SleepSack[®], "Sleep Baby Safe and Snug" children's book, safe sleep DVD, safe sleep photo magnet, and safe sleep educational material. In order to receive a kit, income eligible families must attend an educational class provided by their local Cribs for Kids[®] partner. In this session, the parent/caregiver(s) receives important education on safe sleep practices and how to properly use the Pack 'n Play for their baby. The following is the list of ODH-funded Cribs for Kids[®] partners; interested families should contact their local Cribs for Kids[®] partner for more information.
