

Monthly Distribution Log Template

Project DAWN Categories

Based on your registration information, you will be grouped according to the following and will be required to submit the following data by the 10th of the following month.

- **Group A:** Programs distribute **more than or equal to** 1,000 kits/year to the community or are current subrecipients of ODH Community Harm Reduction Grants.
- **Group B:** Programs that distribute **less than** 1,000 kits/year to the community.
- **Group C:** Local health departments that only provide kits to law enforcement and first responders (NOT for leave-behind behind programs or quick response teams). It **is** common for a health department to be in Group C *and* Group A or B. This effort was previously supported by Ohio MHAS.
